

Sistema's IT Staff Augmentation Contract (ITSAC)

Since 2002, Sistema has been a provider of IT enterprise solutions and IT professional services. IT staff augmentation is our core competency. Over the years, Sistema has developed a well-defined process to acquire, train, nurture and retain IT staff. Sistema has built an outstanding reputation with the resources provided to our customers and we have a vast amount of past performance experience. Coupled with low overhead, streamlined operations, and a commitment to customer service, we will provide exceptional value to our customers.

Sistema Core Competencies:

We cover every IT area! Sistema was awarded ALL 168 categories of IT labor rates. Here's an example of the type of IT Talent we provide to customers:

- Software & Web Developers/Engineers
- Project/ Program Managers
- Enterprise Architects
- Business Analysts, Systems Analysts
- Technical Writers
- Enterprise Systems/Integration Analysts
- Quality Assurance Testers
- Application & Maintenance Developers
- Mainframe Programmers
- Business Intelligence Analysts
- Data Warehousing Developers
- Database Design and Development
- Database Administration
- System Engineers and Administration
- Network Engineers and Administration
- Help Desk and Technical Support
- Security Engineers/Architects

Sistema Customers:

Sistema has provided IT staffing for over a decade to the GREAT State of Texas, local governments, higher education, K-12 and nonprofits. Some of our customers include:

- Health & Human Services Commission (HHSC)
- Comptroller of Public Accounts (CPA)
- Department of Information Resources (DIR)
- Office of Attorney General (OAG)
- General Land Office (GLO)
- University of Texas (UT)
- University of Texas – San Antonio (UTSA)
- Employee Retirement System (ERS)
- Texas Parks & Wildlife Department (TPWD)
- Texas Education Agency (TEA)
- Texas Water Development Board (TWDB)
- Office of Consumer Credit Commissioner (OCCC)
- Education Service Center, Region 20 (ESC-20)
- City of San Antonio (CoSA)
- Bexar County
- CPS Energy
- San Antonio Independent School District (SAISD)

One of the key benefits of working with Sistema Technologies is the fact that we have been identifying and placing skilled IT Consultants across Texas for over a decade. Beyond an extensive bench, our proprietary in-house tracking system, and our database of hundreds of past and present consultants, we have a good pulse on local talent. The depth and breadth of our talent pool and our referral network are some of Sistema's greatest strengths.

Sistema has been awarded the Information Technology Staff Augmentation Contract (ITSAC) by the Texas Department of Information Resources (DIR) through its Cooperative Contracts Program.
