What Many Companies Know about Y&L

For more than a decade, Y&L has been providing IT solutions for major San Antonio-area corporations, helping them meet demands, deliver within budgets, and improve the quality and effectiveness of their systems. Y&L professionals such as business analysts, project managers and highly capable programmers help clients translate strategies into executable tactics and measurable results.

Y&L represents many of San Antonio's largest corporations. We are committed to creating reliable, long-term relationships. Thanks to our stringent employee screening process, generous benefits package, and continuous state-of-the-art training, our employee turnover rate is an amazingly low 3 percent. For our clients, that translates into comfort, continuity and maximum efficiency.

What Many Companies DON'T Know about Y&L

Y&L's parent company, YASH Technologies, a global business and technology solutions company with more than 5,000 employees. The company has 17 Sales and Development Centers across 6 continents. In addition, we have two nearshore development centers.

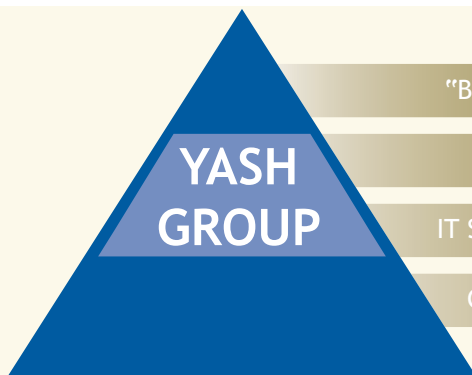

Y&L Consulting, Inc.

YASH is one of only 14 Certified SAP Global AMS Partners and has the honor of being a SAP Gold Channel Partner, a Gold Consulting Partner, a Gold Business Objects Partner, and a Gold Service Partner. The company has 1,200+ experienced functional and technical SAP consultants and is a SAP Labs Partner and Education Partner. In addition, YASH is also a Microsoft® Gold Partner, Oracle® Certified Partner, HP® Business Partner and has centers of excellence in all leading technologies.

YASH Technologies is ISO 9001/2000 certified, CMMi Level 3 certified, and utilizes Six Sigma Methodologies and PMP. Our services are facilitated through four core segment offerings, including Enterprise Strategy Services, Business Process Reengineering & Integration, Enterprise Productivity Services, and Business Intelligence & Portal Services.

Y&L Consulting and YASH Technologies: a Powerful Combination for You
